God takes us by the H.S. *through* our godlessness to the point of the cross

Our "no" to God becomes "yes"

Occurrence:
Justification &
Initial
Sanctification

The H.S. continues to take us toward God

I've said "yes" to God, but I'm still leaning away from God, looking back over my shoulder. The power of Original Sin is still at work in me.

Occurrence: We are brought again to the point of the Cross. Entire Sanctification

Our "yes" becomes an **abandoned "yes."** This is a release from the tendency to lean away from God. There is nothing about our life that is not God's.

Prevenient Grace

God coming into our godless world

God as Holy Love

Our life is totally abandoned to the outgoing love of God toward the world.
